List of Publications

Utah Occupational Wages

<http://wi.dws.state.ut.us> then click the button *Resources for Employment Counselors*

This publication contains **wage** ranges for selected occupations in Utah. It is divided into sections, including a statewide summary, Salt Lake-Ogden, Provo-Orem, Box Elder-Cache, Iron-Washington, and the balance of state. Also included is a definition of the selected occupations.

Utah Job Outlook

<http://wi.dws.state.ut.us> then click the button *Resources for Employment Counselors*

This publication looks at the **projections** for selected occupations on a statewide and sub-state level. Its strongest point is the expected number of job openings per year in a sub-state region for selected occupations.

Utah Job Outlook in Brief

<http://wi.dws.state.ut.us> then click the button *Resources for Employment Counselors*

A condensed version of the Utah Job Outlook, this publication centers only upon statewide data. Its strong point is that it lists occupations characterized by degrees of training, such as short-term, moderate-term, long-term, work experience, etc.

Occupational Outlook Handbook

<http://www.bls.gov/ocohome.htm> then click the button *Resources for Employment Counselors*

This is a federal government publication that defines occupations, gives a nation-wide employment outlook, training requirements, nature of work, etc., for many occupations nationwide. If an occupation is found that is in demand in Utah, this publication can provide supplemental information as to the characteristics of that occupation.

Utah Career Guide

<http://wi.dws.state.ut.us>

then click the button *Resources for Employment Counselors*

This booklet is directed primarily toward job seekers who are in the process of choosing a career. It includes information about planning a career, planning for training or education, lists of training and education programs, apprenticeships, financing education and training, and occupations in demand. It also contains a career chart providing a description of the job duties, the outlook, the average wage, training required, and training sites in Utah.

Licensed Occupations in Utah

<http://wi.dws.state.ut.us>

then click the button *Resources for Employment Counselors*

This publication includes a list of all occupations in Utah that require a State license, corresponding fees, and any training requirements.

FirmFind

<http://wi.dws.state.ut.us>

then click the button *Resources for Employment Counselors*

An electronic listing of Utah's employers. Can search by an occupation for employers that hire people within this occupation. Can also search by industries.

Job Seekers Guide to Utah

<http://wi.dws.state.ut.us>

then click the button *Resources for Employment Counselors*

A well-written publication that attempts to put in the job seeker's hand a single source that can aid in understanding Utah, its labor market, education and training services, handling applications, resume writing, and testing and interviewing techniques.
